Gentlemen:

Consolidated Electrodynamics Corporation requests permission to locate our Datavan at your facility to display electronic acquisition and recording equipment between the hours of 9:00 A.M. and 3:00 P.M. on Thursday, Jan. 5, 1967.

The Datavan is a mobile tractor trailer and does not require external services; the overall length is 50 feet and the weight is 17.5 tons.

Equipment on display will include transducers, signal conditioning devices, tape recorders, oscillographs, magnetic tape and recording papers.

We look forward to hearing from you on this matter in the near future.

Very truly yours,

A.J. Garretson
